MC/DTE/PARENTS/DO/2021

16 April 2021

*Dear Parents,*

1. Further to my letter dated 11 April 2021.
2. Whereas the situation in the campus is under control, the coronavirus is spreading exponentially. All states are imposing increasingly stringent curbs in various forms. The restrictions are being imposed at short notice.
3. Considering the deteriorating circumstances and uncertainty regarding the duration of the restrictions, it has been decided to request parents to take the students home at their earliest convenience.
4. Please let us know the date and time on which you will pick up your ward from school. Departure protocols will be similar to the arrival procedure. RT-PCR test will be arranged on request only if it is needed for entry into your home state. Teacher escorts will be assigned by the school for students travelling on their own from Kishangarh and Jaipur airports.
5. Instructions for Class XII students who are to appear in the Board exams will be issued separately.

*Warm regards*  
*Surendra*
